State Management | Redux
Search Engine Optimization (SEO)

Bootstrap | Performance Testing
Adobe Creative Suite
Object-Oriented Programming

PROFESSIONAL EXPERIENCE

Boy Blondey

Feb 2022 - Present

Freelance Web Developer

Developed user interfaces with modern Javascript framework React.js, HTML5, and CSS3, which improved user satisfaction. Created accessible, responsive, and functional code that allowed web visitors on any device to have the same user experience. Designed and coded custom HTML email templates that work with any email provider.

Orée Nyc

Sep 2022 - Present

Freelance Web Developer

Designed high-fidelity prototypes in Figma that accurately reflected client needs and preferences. Designed and coded mock designs and wireframes for landing pages for highly anticipated product drops. Worked as part of a 4 person team and communicated in a professional and collegial way.

Brooklyn House of Hair

Feb 2023 - Jul 2023

Freelance Web Developer

Developed and designed custom HTML, CSS, and Javascript for the brand's Shopify website, resulting in improved website functionality and customer satisfaction. Maintained quality website functionality through ongoing updates and troubleshooting.
